

36 Good Practices are candidates to the International Design for All Foundation Awards 2016

In 2015 the Foundation recognized as Good Practice 36 projects, products and services. Now they are candidates to the International Design for All Foundation Awards 2016

The international jury will select among them the 5 "Best Practices" that will receive the Best Practice Trophy during the Design for All Foundation Awards 2016 ceremony that will take place on **March 22 at 18pm** in [URBACCESS](#), Paris.

At the same event all Good Practices will receive the corresponding diploma.
