

Transfer at Kyoto Station (To subway)

For Wheelchair Users

- Kanku Express "Haruka"
- For those who use Shinkansen
*Application for the use
of a wheelchair not submitted

For those who use Shinkansen *Application for the use of wheelchair not submitted

- ① Ride an elevator, which leads to the concourse, at the center of the Shinkansen platform.
- ② Get off the elevator, and proceed to **the Shinkansen Central Entrance***1 on the left.
- ③ Pass through the Entrance, and ride an elevator on left side of the front stairs.
- ④ Get off the elevator, proceed the bottom of walkway to the left,
and take an **elevator (with 0 sign)** to the platform on the first floor.
- ⑤ Get off the elevator, go straight about 45 meters, and pass through **the Central Gate (JR West)** at the left.
- ⑥ Go straight, pass through the Central Exit, turn right and proceed 145 meters, and you will see an elevator.
- ⑦ Ride the elevator to the basement, and soon **the Central-1 Gate (Subway)***2 will appear.

*1 Be careful not to confuse it with **the Shinkansen Central Gate**.

*2 Elevators are not available at the other subway gates.

For the users of Kanku Express “Haruka”

□ After getting off the train,

Proceed about 80 meters to the right, and you will see **the Central Gate (JR West)** on the left.

See ⑥～⑦ for “For those who use Shinkansen *Application for the use of wheelchair not submitted”.
